Moin Jakob,

Can you pls get a confirmation fm supplier that no lsfo is available at Nantong?

Highly likely we will go for FONAR.

Cheers/

Hi Nadia,

Shanghai sometimes has LS fuel but you would have to berth the vessel or enter the port which means a full port DA.
Alternatively you do Yosu.

Let me know.

Brgds
Jakob

Hi Jakob,

Any LSFO available at Nantong?

If not, what is our closest option? Need abt 200mts for sbj vs1 which fixed now in DC to Vancouver.

Thanks

Nadia
